KOCHUR VIKTOR

+7 977 427 97 92 ⋄ Citizenship: Uzbekistan ⋄ Current Location: Moscow, Russia

vitekkochur@gmail.com ⋄ LinkedIn ⋄ GitHub

EDUCATION

MISiS University of Science and Technology, Moscow, Russia   Sep 2019 - Jun 2023
Bachelor's in Computer Science

DevOps Summer School HSE Moscow, Russia   Aug 2022
Containerization and CI/CD technologies

SKILLS

Hard Skills	C/C++, Python, C#, SQL
	Algorithms/data structures, Docker, Git, GitLab CI, TCP/IP
	Linux, PostgreSQL, protobuf, Manual Testing, cmake
Soft Skills	Time Management, Teamwork, Communication, Stress-resistance
Languages	Russian: Native, English: Advanced, French: Elementary

PROJECTS

Online photo gallery (PHP, HTML, MySQL)

- Implemented an authentication system, Collected and stored data in a database.
- Implemented simple HTML interface.

Json Parser (C++, STL, json)   GitHub

Transport Directory (C++, STL, protobuf, SVG, cmake)   GitHub

- Finds the quickest way from one bus station to another.
- Draws the whole bus routes map using SVG.

Lite Python Interpreter (C++, STL, Python, cmake)   GitHub

- Analyzes python code.
- Compiles this code.

Mahjong game (Unity, C#, MS SQL)

- Created a game with main menu, leader board and playing field.
- Conducted manual testing of the game.

EXPERIENCE

C#/Unity Developer, HerbariumGames   Feb 2020 - July 2020 (6 months)
Implemented mini-games and worked with interface. I learned teamwork and working with Git.

EXTRA-CURRICULAR ACTIVITIES

- Development in C++ (5 coursers) Yandex & E-Learning Development Fund, Moscow Institute of Physics and Technology
- Algorithms/data structures Training   Yandex
- "14 Days Study Plan to Crack Algo"   Leetcode
- Database: Basics and Theory   VK Team
